## Description

Libitina based off eyewitness reports was a girl who lived a normal life prior to the incidents of September 28<sup>th</sup>, 2017. However, evidence gathered showed that Libitina had prior incidents before the incident date. A “Monthly Examination Report” obtained in the incident’s universe shows prior testing of Libitina at the age of 2 on December 5<sup>th</sup>, 2003, which extends until January 5<sup>th</sup>, 2004, at the age of 3. The report was cleared of past history and was created by an unknown doctor who was with her. The report describes her in 2003 as being underweight, with normal health values, however, includes a “PHYSICAL RESULTS (THIRD EYE)” section relating to “distortion”, “reaction time”, and “HR” which is unknown in the medical field in any country or the SDC States. By 2004, Libitina passed only Response and Activation tests whilst failing Control and Suppression tests. The report ends stating bypasses were rejected and a deterioration in her health and mental state after an unknown termination. This is not the first time the doctor has done this. After 2004, her status becomes unknown. The DDLC universe shows very unusual behavioral patterns as the days progress in September. A note and image were found attached together signed by Libitina at an unknown date. The note read “You left ME to sUFFER in that camp for WeeKS on end, never bothering to HElp me be fRee. Taking my spotlight...MY moment with [REDACTED] HUH?! Let’s see how you enjoy me pLayIng with the future YOU have that I DoN’T. I will MAKE sure you all SUFFER for what you did and for taking [REDACTED] AwaY from ME. I will make sure your HaPPy endings are DEad. [REDACTED] is MIne. You WiLl be MY entertainment.” The note pictures Libitina as a girl gone mad who used to be an important person before being replaced by the girls we see in the universe. Her tone is described to be that of a yandere-type girl, like Case Number 6512197110111, wanting [REDACTED] as her lover no matter what it takes, including harm. It is speculated that the universe that we see under Libitina’s control and is playing with the universe’ story for her “amusement” and for [REDACTED] to notice her in some unknown way. The image depicts six individuals: the universes’ girl cast, [REDACTED] and an unknown individual with white hair and purple eyes. All four girls are slashed in red marker and [REDACTED] and the white girl are circled in hearts. She is speculated to be 5’ in the image after some character analysis. Further investigation is needed.
